Academics
Learning at Roger Williams University School of Law is not only academic, but also experiential. “Through initiatives like the Pro Bono Collaborative, which links law stu-
dents with area practitioners to work on pro bono projects, the school is always working to integrate itself into the fabric of the RI legal community.” The Office of Career Services sets up mock interviews with local attorneys to help students prepare for real interviews. They also regularly run “resume writing, career fair, and networking events.”

“Students have opportunities to intern in the federal and state agencies of Rhode Island and the federal courts.” “They get real experience as clerks to judges, prosecutors, and defense attorneys.” The faculty are “invested in the students’ success and the community.” They encourage students to “ask questions and seek help from the professors.”

Getting In
The acceptance rate at Roger Williams is fairly high. The admissions committee consid-

ers LSAT scores, undergraduate GPA’s, personal essays, and letters of recommen-
dation all very important. Still valued, but not as much, are extracurricular activities and work

experience. Admitted students in the 25th percentile have GPA’s close to 3.0, and LSAT

scores less than 150. Admitted students in the 75th percentile have GPA’s of almost 3.3 and LSAT

scores in the mid 150’s.
