How to Register for Courses Using Student Planning

Student Planning is a tool that if used properly could help you plan your Academic career at Roger Williams University School of Law. It is shared with the rest of the University so on first login it requires some cleanup and preparation. You can plan courses for your three years based on how often and when we normally offer them. It does not mean the courses are 100% guaranteed to be offered in that certain term, however, we will give you the best information possible. You should always plan alternatives and backups. Planning your registration ahead of time will always help you on your actual day of registration.

Roger Williams University School of Law Students register for classes through Roger Central. The link to this portal can be found on the [Law School home page](#) by selecting Roger Central from the “Current Students” menu at the top. From here you will be directed to the login page.

Type your user name and domain into the domain/user name box. (Example: jsmith123@academics.rwu) 2. Type your password in the password box. The default password is your first initial, last initial, last four of your soc. followed by RWU (Example: js1234RWU) Once you have successfully signed in, you will be directed to the front page of Roger Central.

1. First step is to set up your remaining terms here at Roger Williams University.

Click on “Student Planning”.

The screenshot shows the Roger Central dashboard. At the top, there is a dark blue header with the text "ROGER CENTRAL" and a user profile for "dpeterson" with a "Sign out" button and a "Help" link. Below the header, a light gray banner says "Hello, Welcome to Roger Central!" and "Choose a category to get started." The main content area is a grid of six tiles: "Employee" (tax forms, earnings statements), "Student Planning" (search for courses, plan terms), "Grades" (view grades by term), "Advising" (access advisees, provide guidance), "Faculty" (view active classes, submit grades), and "Financial Management" (view financial health). A footer at the bottom reads "ellucian. © 2000-2019 Ellucian Company L.P. and its affiliates. All rights reserved. [Privacy](#)".

2. Next step is to click the “Student Planning” drop down menu at the top and select “Plan and Schedule”. Delete any term that does not say Law and add all terms that do for your next three years.

The screenshot shows the 'Plan your Degree and Schedule your courses' interface. At the top, there are navigation tabs: 'Academics', 'Student Planning', and 'Plan & Schedule'. Below this is a search bar labeled 'Search for courses...'. The main navigation bar includes 'Schedule', 'Timeline', 'Advising', and 'Petitions & Waivers'. The 'Schedule' tab is active, showing a calendar for 'Law Spring 2020'. There are navigation arrows and buttons for adding or removing terms. Below the calendar, there are buttons for 'Filter Sections', 'Save to iCal', and 'Print'. On the right, it shows 'Planned: 0 Credits', 'Enrolled: 0 Credits', and 'Waitlisted: 0 Credits'. A message box on the left says 'No Courses Selected For This Term'. The calendar grid shows days of the week (Sun-Sat) and times (8am-7pm).

This screenshot shows the same interface but for 'Law Summer 2020'. A dialog box titled 'Add a Term to Your Plan' is open in the center. The dialog asks 'Please select a term to be added to your plan:' and has a dropdown menu with 'Law Fall 2020' selected. There are 'Cancel' and 'Add Term' buttons at the bottom of the dialog. The background interface is dimmed, showing the 'Law Summer 2020' calendar and the same navigation and status elements as the previous screenshot.

You have now done the appropriate setup and can start planning your courses.
